Availability of Peer Recovery Services and Medication-Assisted Treatment in High Risk Settings Across Virginia

As part of the State Opioid Response grant, Virginia's Department of Behavioral Health and Developmental Services is working to increase access to peer recovery services and medication-assisted treatment for individuals with an opioid use disorder. Emergency departments and jails are two key locations where these services are needed, but there is still work to be done to make access equitable across Virginia, as demonstrated by these maps of service availability.

Emergency Departments with Peer Services

Jails with Peer Services and/or Medication-Assisted Treatment (MAT)

Locality has a jail with peers and/or MAT

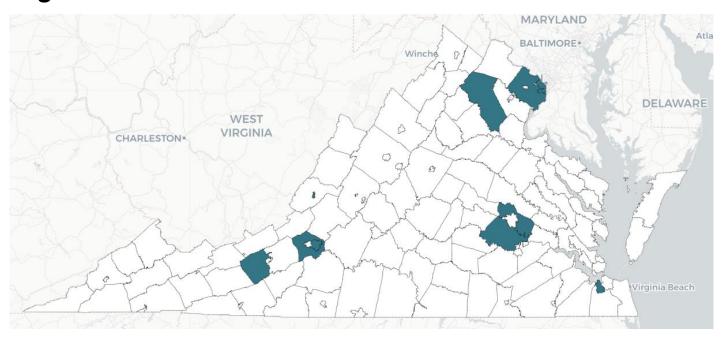

Emergency Departments with Peer Services

Hospital	CSB	
Bedford Memorial	Horizon	
Careplex	Hampton/Newport News	
Carilion Franklin	Piedmont	
Carilion Roanoke	Blue Ridge	
Chesapeake Regional	Chesapeake
