Peer Recovery Support Implementation Guide References

The following references correspond to the *Peer Recovery Support Implementation Guides* for collegiate, hospital/emergency department, and justice settings. To view or download electronic copies of these guides and find other peer support resources, visit the Peer Recovery Support Reports & Research page of the Virginia SOR Support website at www.virginiasorsupport.org/peers.

Guides were created by the OMNI Institute with support from the Virginia Department of Behavioral Health & Developmental Services and State Opioid Response grant funding. Please contact sorrecovery@omni.org for more information.
